Sunlamp - **DANGER ULTRAVIOLET RADIATION** - Follow instructions. Avoid overexposure. As with natural sunlight, overexposure can cause eye and skin injury and allergic reactions. Repeated exposure may cause premature aging of the skin and skin cancer. WEAR PROTECTIVE EYEWEAR; FAILURE TO MAY RESULT IN SEVERE BURNS OR LONG-TERM INJURY TO EYES. Medications or cosmetics may increase your sensitivity to the ultraviolet radiation. Consult physician before using sunlamp if you are using medications or have a history of skin problems or believe yourself especially sensitive to sunlight. If you do not tan in the sun, you are unlikely to tan from use of this product. Contraindication: This product is contraindicated for use on persons under the age of 18 years. Contraindication: This product must not be used if skin lesions or open wounds are present. Warning: This product should not be used on individuals who have had skin cancer or have a family history of skin cancer. Warning: Persons repeatedly exposed to UV radiation should be regularly evaluated for skin cancer.

9K90®, VHR®, VLR®, GSP®, ESP®, TT®, CosmoLux®, CosmoStar®, Goldarium®, HI-TAN®, and CosmoSun® are registered trademarks of Cosmedico® Light, Inc.
All other lamps listed are trademarks of their respective manufacturers and/or distributors.

* Discontinued

Sunlamp - **DANGER ULTRAVIOLET RADIATION** - Follow instructions. Avoid overexposure. As with natural sunlight, overexposure can cause eye and skin injury and allergic reactions. Repeated exposure may cause premature aging of the skin and skin cancer. WEAR PROTECTIVE EYEWEAR; FAILURE TO MAY RESULT IN SEVERE BURNS OR LONG-TERM INJURY TO EYES. Medications or cosmetics may increase your sensitivity to the ultraviolet radiation. Consult physician before using sunlamp if you are using medications or have a history of skin problems or believe yourself especially sensitive to sunlight. If you do not tan in the sun, you are unlikely to tan from use of this product. Contraindication: This product is contraindicated for use on persons under the age of 18 years. Contraindication: This product must not be used if skin lesions or open wounds are present. Warning: This product should not be used on individuals who have had skin cancer or have a family history of skin cancer. Warning: Persons repeatedly exposed to UV radiation should be regularly evaluated for skin cancer.

Sunlamp - **DANGER ULTRAVIOLET RADIATION** - Follow instructions. Avoid overexposure. As with natural sunlight, overexposure can cause eye and skin injury and allergic reactions. Repeated exposure may cause premature aging of the skin and skin cancer. WEAR PROTECTIVE EYEWEAR; FAILURE TO MAY RESULT IN SEVERE BURNS OR LONG-TERM INJURY TO EYES. Medications or cosmetics may increase your sensitivity to the ultraviolet radiation. Consult physician before using sunlamp if you are using medications or have a history of skin problems or believe yourself especially sensitive to sunlight. If you do not tan in the sun, you are unlikely to tan from use of this product. Contraindication: This product is contraindicated for use on persons under the age of 18 years. Contraindication: This product must not be used if skin lesions or open wounds are present. Warning: This product should not be used on individuals who have had skin cancer or have a family history of skin cancer. Warning: Persons repeatedly exposed to UV radiation should be regularly evaluated for skin cancer.

9K90®, VHR®, VLR®, GSP®, ESP®, TT®, CosmoLux®, CosmoStar®, Goldarium®, HI-TAN®, and CosmoSun® are registered trademarks of Cosmedico® Light, Inc. All other lamps listed are trademarks of their respective manufacturers and/or distributors.

Sunlamp - **DANGER ULTRAVIOLET RADIATION** - Follow instructions. Avoid overexposure. As with natural sunlight, overexposure can cause eye and skin injury and allergic reactions. Repeated exposure may cause premature aging of the skin and skin cancer. WEAR PROTECTIVE EYEWEAR; FAILURE TO MAY RESULT IN SEVERE BURNS OR LONG-TERM INJURY TO EYES. Medications or cosmetics may increase your sensitivity to the ultraviolet radiation. Consult physician before using sunlamp if you are using medications or have a history of skin problems or believe yourself especially sensitive to sunlight. If you do not tan in the sun, you are unlikely to tan from use of this product. Contraindication: This product is contraindicated for use on persons under the age of 18 years. Contraindication: This product must not be used if skin lesions or open wounds are present. Warning: This product should not be used on individuals who have had skin cancer or have a family history of skin cancer. Warning: Persons repeatedly exposed to UV radiation should be regularly evaluated for skin cancer.

Sunlamp - **DANGER ULTRAVIOLET RADIATION** - Follow instructions. Avoid overexposure. As with natural sunlight, overexposure can cause eye and skin injury and allergic reactions. Repeated exposure may cause premature aging of the skin and skin cancer. WEAR PROTECTIVE EYEWEAR; FAILURE TO MAY RESULT IN SEVERE BURNS OR LONG-TERM INJURY TO EYES. Medications or cosmetics may increase your sensitivity to the ultraviolet radiation. Consult physician before using sunlamp if you are using medications or have a history of skin problems or believe yourself especially sensitive to sunlight. If you do not tan in the sun, you are unlikely to tan from use of this product. Contraindication: This product is contraindicated for use on persons under the age of 18 years. Contraindication: This product must not be used if skin lesions or open wounds are present. Warning: This product should not be used on individuals who have had skin cancer or have a family history of skin cancer. Warning: Persons repeatedly exposed to UV radiation should be regularly evaluated for skin cancer.

Mega Sun 6.5 100w	100w F71 B/P		CosmoSun 515 100w F71 Bi-Pin	10153	500

Sunlamp - **DANGER ULTRAVIOLET RADIATION** - Follow instructions. Avoid overexposure. As with natural sunlight, overexposure can cause eye and skin injury and allergic reactions. Repeated exposure may cause premature aging of the skin and skin cancer. WEAR PROTECTIVE EYEWEAR; FAILURE TO MAY RESULT IN SEVERE BURNS OR LONG-TERM INJURY TO EYES. Medications or cosmetics may increase your sensitivity to the ultraviolet radiation. Consult physician before using sunlamp if you are using medications or have a history of skin problems or believe yourself especially sensitive to sunlight. If you do not tan in the sun, you are unlikely to tan from use of this product. Contraindication: This product is contraindicated for use on persons under the age of 18 years. Contraindication: This product must not be used if skin lesions or open wounds are present. Warning: This product should not be used on individuals who have had skin cancer or have a family history of skin cancer. Warning: Persons repeatedly exposed to UV radiation should be regularly evaluated for skin cancer.

Sunlamp - **DANGER ULTRAVIOLET RADIATION** - Follow instructions. Avoid overexposure. As with natural sunlight, overexposure can cause eye and skin injury and allergic reactions. Repeated exposure may cause premature aging of the skin and skin cancer. WEAR PROTECTIVE EYEWEAR; FAILURE TO MAY RESULT IN SEVERE BURNS OR LONG-TERM INJURY TO EYES. Medications or cosmetics may increase your sensitivity to the ultraviolet radiation. Consult physician before using sunlamp if you are using medications or have a history of skin problems or believe yourself especially sensitive to sunlight. If you do not tan in the sun, you are unlikely to tan from use of this product. Contraindication: This product is contraindicated for use on persons under the age of 18 years. Contraindication: This product must not be used if skin lesions or open wounds are present. Warning: This product should not be used on individuals who have had skin cancer or have a family history of skin cancer. Warning: Persons repeatedly exposed to UV radiation should be regularly evaluated for skin cancer.

9K90®, VHR®, VLR®, GSP®, ESP®, TT®, CosmoLux®, CosmoStar®, Goldarium®, HI-TAN®, and CosmoSun® are registered trademarks of Cosmedico® Light, Inc.
All other lamps listed are trademarks of their respective manufacturers and/or distributors.

Soltron VHP10 TurboPower	160w FR71 B/P	D-12500	HI-TAN VHR 160w Bi-Pin	16388	1000

Sunlamp - **DANGER ULTRAVIOLET RADIATION** - Follow instructions. Avoid overexposure. As with natural sunlight, overexposure can cause eye and skin injury and allergic reactions. Repeated exposure may cause premature aging of the skin and skin cancer. WEAR PROTECTIVE EYEWEAR; FAILURE TO MAY RESULT IN SEVERE BURNS OR LONG-TERM INJURY TO EYES. Medications or cosmetics may increase your sensitivity to the ultraviolet radiation. Consult physician before using sunlamp if you are using medications or have a history of skin problems or believe yourself especially sensitive to sunlight. If you do not tan in the sun, you are unlikely to tan from use of this product. Contraindication: This product is contraindicated for use on persons under the age of 18 years. Contraindication: This product must not be used if skin lesions or open wounds are present. Warning: This product should not be used on individuals who have had skin cancer or have a family history of skin cancer. Warning: Persons repeatedly exposed to UV radiation should be regularly evaluated for skin cancer.
