Salon owners who advocate the best customer tanning experience align with customers who set this high standard of operation and have done so by supporting the following tanning industry guidelines:

- **Parental consent for anyone under the age of 18**
- **Mandatory use of eyewear**
- **Informed consent; explanation of risks of over-exposure**
- **Trained operator on duty and training of staff**
- **Explanation of device controls & emergency shut down**
- **Adherence to timer maximum setting**
- **Sanitation of equipment; sunbed cleaning with disinfectants**
- **Abide by all federal, state, and local requirements**
- **Always use the OEM lamp or an FDA compliant lamp for all tanning applicaitons**

We encourage salon owners who set a high standard of operation to support the tanning industry.
