

**2 WORK OF ART**

Clear out your bathroom cabinets – the only beauty product you need is One and Done Intensifier by JWOWW. Moisture? Check. Natural, streak-free color? Check. Tattoo protection? Check. The decadent yogurt base and intricate Midnight Pear fragrance make it easier than ever to look, feel and smell fresh to death.

**5 BETTER THAN LEMONADE**

When the world hands you lemons, find your happy place with i Escape by MR International. The scent of Coconut Colada will transport you to tropical paradise while Melanocyte, MelanoBronze and coconut milk give you the skin to match your new state of mind. Golden, exotic and beautiful, you'll be ready to face the day with a cool attitude.

**3 BEAUTY BOUQUET**

Petal soft and in full bloom, Bloomin' Dark ultra-dark natural bronzer by Supre Tan is the centerpiece of any advanced tanning regimen. Seven floral extracts keep skin looking fresh, youthful, and perfectly prepped for intense bronzing action. The velvety silicone formula soaks skin in henna, caramel and black walnut shell for explosive natural color.
